

FORTINET®

FNDN 1-Click Demo

Quick Step Guide

Cloud Based Demo Environment

FNDN

1-Click Demo

1-Click Demo is a cloud based demo environment which can be started from any location with internet access.

The demo environment contains several Fortinet Products which are fully licensed and properly set up for a customer demo. Watch the demo videos on the FortiDemo Portal to obtain more details and examples of demo scenarios that can be done with the current demo topology.

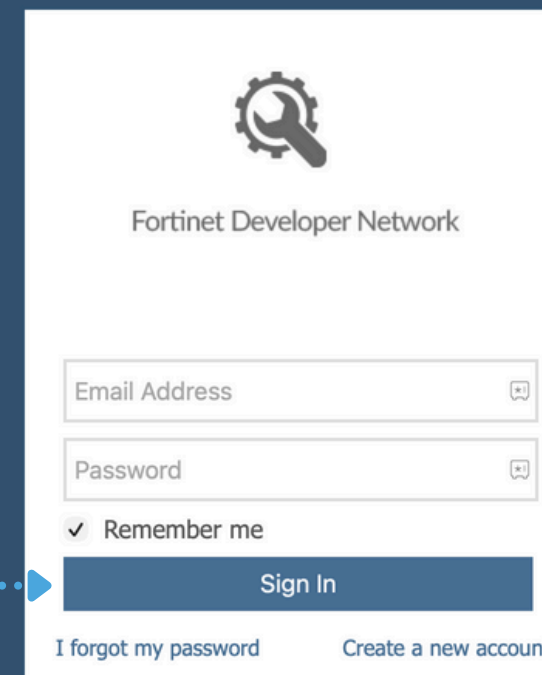

Step 1

Login to Fortinet Developer Network

 fndn.fortinet.net/index.php?/one-click-demo

LOGIN

The screenshot shows the login interface for the Fortinet Developer Network. At the top, there is a gear icon with a magnifying glass. Below it, the text "Fortinet Developer Network" is displayed. The form contains two input fields: "Email Address" and "Password", each with a small icon on the right. Below the password field is a checked checkbox labeled "Remember me". A blue "Sign In" button is positioned below the checkbox. At the bottom of the form, there are two links: "I forgot my password" and "Create a new account".

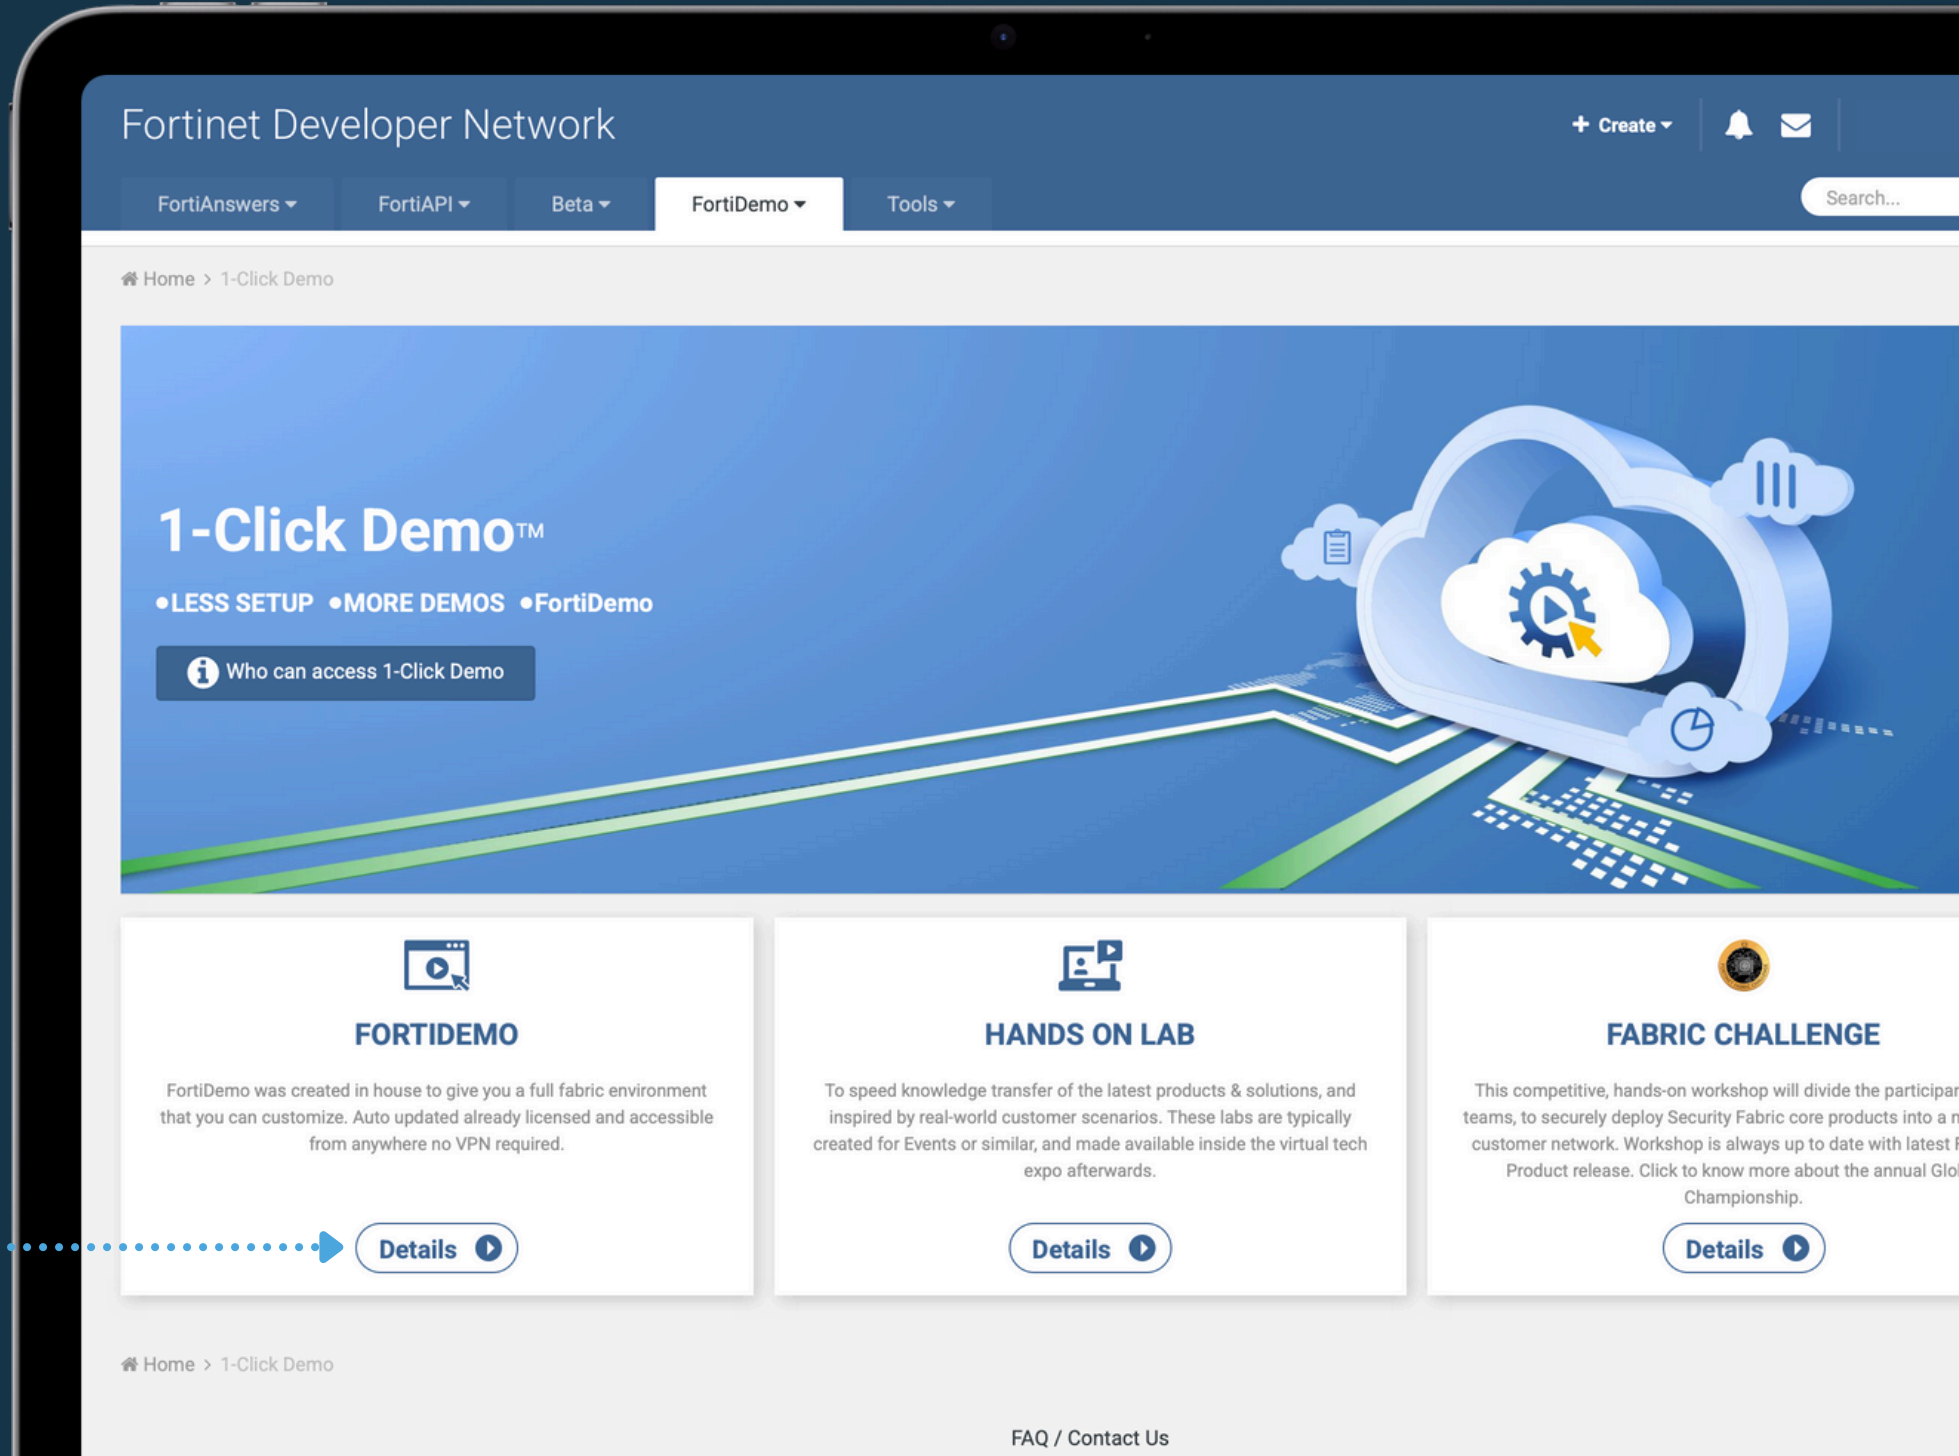

Step 2

Access the FortiDemo Area

fndn.fortinet.net/index.php?app=partner&module=index&controller=oneclick&details=fortidemo

[Click Here](#)

Step 3

Watch the introduction video

[Click Here](#)

The screenshot shows the FortiDemo website interface. At the top, there is a navigation bar with a back arrow, the FortiDemo logo, and a 'LAUNCH IN' button. Below the navigation bar is a search bar labeled 'Search videos...'. The main content area is divided into two columns. The left column is a 'Demo Info' sidebar menu with a search bar and a list of categories: 7.6 (FortiOS 7.6, SD-WAN 7.6), 7.4 (FortiOS 7.4.2, FortiManager 7.4, Advanced Threat Protection, FortiSOAR 7.4, FortiSOAR 7.4.3-GA, SD-WAN 7.4, ZTNA 7.4, FortiLink 7.4, FortiAnalyzer 7.4), and 7.0 (FortiAnalyzer 7.0). The right column features a video player with a large 'LESS SETUP' text overlay. Below the video player is a title 'What is FortiDemo?' and a subtitle 'LESS SETUP. MORE DEMOS. FORTIDEMO.'. At the bottom of the page, there are three video thumbnails: 'What is FortiDemo?', 'FortiDemo Topology - 7.0', and 'Deploy & Connect an AWS VPC'.

Step 4

Discover the capabilities of each demo via the video tutorials & documentation

Several demo scenarios are available for the following solutions.

- SD-WAN
- Security Fabric
- Zero Trust
- Advanced Threat Protection
- FortiLink
- Centralised Management
- Advanced Analytics

Select Demo

The screenshot shows the FortiDemo application interface. At the top, there is a navigation bar with a back arrow, the FortiDemo logo, and a 'LAUNCH IN' button. Below the navigation bar is a sidebar menu with a search bar and a list of demo categories. The main content area features a video player with a video titled 'What's New in SD-WAN 7.6'. The video player includes a play button, a progress bar, and various control icons. Below the video player is a list of video thumbnails for other demo scenarios.

Step 5

Access the Hands on Lab Area

fndn.fortinet.net/index.php?app=partner&module=index&controller=oneclick&details=handsonlab

[Click Here](#)

The screenshot shows the Fortinet Developer Network interface. At the top, there's a navigation bar with 'Fortinet Developer Network' and user options like '+ Create', a notification bell, and an email icon. Below this is a secondary navigation bar with tabs for 'FortiAnswers', 'FortiAPI', 'Beta', 'FortiDemo' (which is active), and 'Tools'. A search bar is on the right. The main content area has a breadcrumb 'Home > 1-Click Demo'. The central banner features the '1-Click Demo™' title, bullet points '• LESS SETUP • MORE DEMOS • FortiDemo', and an information icon with the text 'Who can access 1-Click Demo'. Below the banner are three cards: 'FORTIDEMO' (with a play icon), 'HANDS ON LAB' (with a laptop icon), and 'FABRIC CHALLENGE' (with a globe icon). Each card contains a brief description and a 'Details' button with a play icon. At the bottom, there's a footer with 'Home > 1-Click Demo' and a link for 'FAQ / Contact Us'.

Step 6

Watch the introduction video

Click Here

The screenshot shows a user interface for 'HANDS ON LAB'. At the top, there is a navigation bar with a back arrow, the 'HANDS ON LAB' logo, and a '+ LAUNCH IN' button. Below the navigation bar is a sidebar menu with a search bar labeled 'Search videos...'. The menu items are: 'What is Hands On Lab', 'Security Fabric', 'SDWAN', 'Zero Trust', 'IAM', 'FortiNAC-F', 'Switching', 'OT', 'Breach Prevention', and 'FortiPAM'. The main content area features a video player with a play button and a progress bar at 00:52. The video content shows a 3D-rendered lab environment with a character in a green shirt. Above the video are three smaller images: a server room, a person at a computer, and a person with a smartphone. Below the video player is a caption: 'What are Hands-On-Labs? Created by CSEs and PMs, to speed knowledge transfer of the latest products & solutions, and inspired by real-world customer scenarios. These labs are typically created for Xpert Events or similar, and made available inside the virtual tech expo afterwards.' At the bottom, there is a thumbnail for the video titled 'What are Hands-On-Labs?'.
